Pine River State Bank COVID-19 Update

For the health and safety of our customers, employees, and communities, our lobbies will be temporarily closed effective March 18th, 2020 until further notice. Our Drive-Up and Walk-Up will remain open with normal business hours at all locations.

If your banking needs are better served through an in-person meeting or you need to access your Safe Deposit Box, please contact your local branch to make an appointment.

All other banking services will continue as normal and we will have staff on hand to assist with phone and email inquiries.

We encourage our customers to utilize Online Banking, Mobile Banking, and Phone Banking services. We also want to make customers aware of COVID-19 scams, phishing emails, and fake internet sites. Always stop and think before you click!

Pine River State Bank remains your community partner and we are committed to helping our customers maintain financial stability.
